 - Water Vessel for Birds
 - Quilling Card
- Star Incentives
- Maths Lab.

September month started with teacher's day celebration. This month our school received awards. The learning continued with fun activities and understanding the concepts. The brief of the main events and activities are stated below:-

➤ Teacher's day celebration

Birthday of Dr. Sarvapalli Radhakrishnan was celebrated in our school. All the students expressed their thankfulness to teachers. Upper primary students conveyed greetings through creative handmade cards. Dance, music and speech on biography of Dr. S Radhakrishnan made the day explicable.

➤ Ganesha Chaturthi

On the occasion of Ganesh Chaturthi, the Sford choir melodiously chanted shlokas to invoke the blessings of Lord Ganesha. Teachers performed ritual of pooja. Gulab, student of class VI narrated the story of how Ganesha, son of Parvathi acquired head of elephant. Pre- primary kids decorated beautiful sketch of Ganesha with rose petals and different leaves.

➤ Hindi Diwas

The students and staff celebrated Hindi Diwas with great fervour. The program unfolded with essay, poem, speech and slogan in Hindi. The students were told about the role and importance of Hindi as a language.

➤ Simply Jaipur Principals & Teachers Award

On 3rd September, our principal with two teachers was honoured at the principals & teachers award ceremony for commendable contribution in education at Birla auditorium, Jaipur.

➤ Bhartiya Gyan Pareeksha Award

Ankita, student of grade VIII has appeared in the Bhartiya Sanskriti Gyan Pareeksha and obtained excellent position. By doing so she set an example of self, social and national refinement along with the development of moral and cultural values.

➤ Concept Learning Activities

○ Thumb Painting

Children of grade I loved getting their hands messy to create colourful fun animals and later on they added details to give them life. In this activity, the children used skills such as painting, drawing and writing.

○ Be Kind to Animals

Teaching children to be kind to animals and emphasising the importance of extending compassion and consideration to other living beings, is an important and valuable life lesson. Students of grade IV visited SFORD gaushala and participated in volunteer work of cow care.

- All About Shapes

All very hands on and fun, the learning is just a plus! Toddlers of K.G participated in recognising the shapes circle, square and triangle and then they coloured very favourite shape.

- Art and Craft

- Water Vessel for Birds

Sford kids provided a place for little birds to sit while they enjoy their treat. Students of grade IV decorated earthen pots for birds. They pledged to fill the pots with water for birds.

- Quilling Card

Beautiful cards made for teachers by students. They decorated the card by using quilling technique. Glitters were added to sparkling greeting card.

- Star Incentives

Every month Sford stars rewarded with incentives. This is to encourage good handwriting, good reading, disciplined behaviour and cleanliness. The star kids motivate other children for better performance.

- Maths Lab.

In Maths Laboratory pre primary kids got an opportunity to discover things by doing. In many of the activities, students learn to deal with in the course of doing concrete activity which lays down a base for more abstract thinking.
